POLICIES MANUAL
ANTI-CORRUPTION PRINCIPLES AND MECHANISMS
(Free translation of an original Spanish document)

Due Diligence	It is used for concepts that involve the investigation of a company or person prior to signing a contract or a legislation with certain care and diligence.
Politically Exposed Person (PEPS)	<p>Individual, who performs or has performed public services abroad or in national territory, considering the Heads of State or of Government, political leaders, government officials and political parties' members, among others.</p> <p>Politically exposed people are included, as well as their spouses, domestic partners, concubine and the people that have a consanguinity or affinity relationship up to a second degree.</p>
Actual Owner	Person who is insured or beneficiary and who through any other person or any mechanism or action, obtains benefits as a result from an operation; is the person, who ultimately exercises the rights as the actual owner of the resources..
Bona Fide	Every transaction or business shall always be conducted with honesty, sincerity and loyalty.
Transparency	To maintain the operations in optimal conditions in order to provide appropriate information regarding its entire operation to employees, users, shareholders, inspection bodies and the community in general.
Equality	Attribute that consists in providing everyone with what they deserve in accordance with their achievements or conditions preventing favoritism.
Prudence	Every Qualitas' director or employee is enforced to zealously keep the information that has been provided by its customers, as long as it does not lead to concealment or unlawful acts according to the law.
Legality	The operations shall be exercised respecting the Constitution, laws and the applicable external and internal standards.
Audit	Indicates that the commercial, financial and accounting transactions shall have an effective and permanent control regarding their management and results, in order to reasonably safeguard the shareholders' and customers' interests. It also refers to verifying the level of compliance of the policies, standards, and legal internal proceedings that regulate Qualitas' financial operation.
Collaboration	Teamwork needs to be performed with Qualitas' internal areas, which are responsible for monitoring, alongside the authorities, to fight money laundering, terrorism financing, as well as other illegal actions.

4. POLICIES

4.1. GENERAL POLICIES

4.1.1. Qualitas' directors and employees shall conduct business and perform their duties with loyalty, clarity, transparency, accuracy, commercial probity, seriousness and compliance in pursuit of social welfare, acting in an ethically responsible manner, capacity and professionalism. General interest is prioritized over the particular interest, under the following principles:

- Bona Fide
- Traspparency
- Equality
- Prudence
- Legality
- Audit
- Collaboration

4.1.2. Qualitas business activities require performing a direct negotiation with governmental bodies and with officers acting in their official capacity. The International Anti-Corruption Laws simply prohibit the payment or offering of any valuables to such entities or officials to unduly obtain business.

4.1.3. All members and / or third parties related with Qualitas shall reject unethical practices and corruption in all its forms, including extortion and bribery.

4.1.4. Qualitas' directors and employees shall not offer, provide or unduly receive payments or payment promises, bribery by public or private officials, with the purpose of obtaining or maintaining a business, guarantee an advantage or unduly influence Qualitas' official proceedings.

4.1.5. Qualitas' directors and employees may not offer, promise any valuables to neither a governmental officer nor any family member of such officer, nor a third party or non-profit organization suggested by the recipients, with the purpose of influencing the recipient so that an official action is taken or refrains from taking it or from leading the recipient to conduct business with Qualitas.

- Unduly payments performed indirectly through an intermediary are also subject to the same regulations and sanctions.
- Additionally, offering or granting unduly payments, gifts or entertainment activities, offering job opportunities to a governmental officer or its family members may also constitute a breach of anti-bribery laws.

4.1.6. Develop and maintain an appropriate internal control system in order to provide reasonable security in the fulfillment of objectives at a financial operation and compliance level.

POLICIES MANUAL
ANTI-CORRUPTION PRINCIPLES AND MECHANISMS
(Free translation of an original Spanish document)

- Qualitas' personnel shall fairly, accurately and thoroughly register all transactions and expenses incurred in systems, books, records and documents, which shall be supported and available in the event they are audited.
- 4.1.7. Qualitas' personnel shall reject and report any request of false invoices or payment of expenses that are unusual or exaggerated or that are inadequately described. For any reason, nobody shall record misleading, incomplete or false information in Qualitas' books or records.
- 4.1.8. Those activities forbidden to be conducted directly, cannot be performed indirectly by third parties, such as agents, consultants, contractors, partners, nor Qualitas / recipient's subsidiaries.
- 4.1.9. All the responsibility must be laid out with the outmost diligent level, convenience, and reliability, striving to fulfill the institutional objectives adhering to the moral and ethical principles of both the internal and legal mandates, as well as the Behavior and Ethics Code.
- 4.1.10. It is the duty of all employees to report to Qualitas' Control Hierarchy any irregular operation identified, which might be subject to investigation through Q Transparencia.
- 4.1.11. All Qualitas' employees, including its upper management, are bound to protect and utilize the company assets in an appropriate manner, and never for a personal benefit, nor for third parties foreign to the Organization.
- 4.1.12. All employees are responsible for the assets, documents, team, codes, and work elements assigned, that either they manage or are under their supervision, per their work duties. See Assignment Policy and Tools and Work Equipment Use Policy.
- 4.1.13. Employees and Directors may not compromise the company during the performance of their work activities, in any form, neither explicit nor tacit, formal, nor informal, unless they have been authorized in writing for such undertaking..
- 4.1.14. Receiving gifts Policy and Procedure, as well as the Marketing and Distribution Policy and Procedure for promotional items.

Such guidelines also apply to current or potential customer representatives, suppliers, or other business associates, or competitors.

According to Anticorruption International Laws, Qualitas may be responsible for its business subsidiaries activities, either directly or indirectly, as well as third parties on which it exercises control, as well as its agents, consultants, business partners and other third parties activities, when acting on behalf of Qualitas. The company may request clarifications and accountability for these actions.

When Qualitas' employees engage on relationships with **people or third party entities**, they should abide by the Procedures and Third Party Outsourcing services Policy.

4.1.15. It is the responsibility of the employees and each of Qualitas' collaborators, suppliers and/or customers, to ensure compliance with the applicable legal and internal provisions, otherwise report the breaching of this policy through Q Transparencia.

The reverential awe (permissive loyalty in violation of the standards by the boss or the supervisor) shall not exist when it comes to the application of the loyalty principle towards Qualitas.

5. SANCTIONS

The breaching of any of the provisions contained in this Policy and Procedure, may result in a criminal or civil risk for Qualitas, as well as for the collaborators, who turned out to be involved. It includes fines for indefinite quantities, termination of the employment relationship and, where appropriate, imprisonment.
